Grove Man Sails Aboard Research Ship

Expedition Aims At Multi-Ocean Science Study

Amos Clay, vice president of the Lemon Grove Taxpayers Assn., sailed this week as marine electrician aboard the research vessel Argo. The University of California's Scripps Institute of Oceanography is operating the ship.

The vessel set sail on the first leg of an expedition that

—o—

BULLETIN

The departure of the research vessel Argo on Monsoon Expedition has been postponed from Tuesday, August 23, until Friday, August 26, Roger Revelle, director of the University of California's Scripps Institution of Oceanography, announced.

The postponement was necessary so that further work could be done on the gearing system of the large dredging winch aboard the vessel.

—o—

will last until March and take the ship across the Pacific and Indian oceans almost to the coasts of Africa.

It is the longest expedition yet undertaken by the Scripps Institution and the Argo is the largest ship the institution has operated.

Chief Scientist aboard Argo for the next several weeks will be Dr. George G. Shor jr., associate research geophysicist. Dr. Shor will lead the scientific party until she arrives in Darwin, Australia, on September 29.

His place will then be taken by Dr. Tjeerd H. Van Andel, associate research geologist, who will direct studies in the waters near Darwin. On October 19, Dr. Robert L. Fisher, assistant research geologist, will become chief scientist, directing the investigations in the Indian Ocean.

When the ship reaches Wellington, New Zealand, in January on the way home, Dr. Henry W. Menard jr., associate professor of geology, will replace Dr. Fisher as chief scientist. There will be other changes in the scientific party at various ports. Monsoon Expedition will end with the return of Argo to San Diego on approximately March 1, 1961.

The vessel is a former Navy rescue and salvage ship leased to the university and converted to oceanographic research. Her work will receive substantial support from the U.S. Office of Naval Research.

Education Report Indicates Stable J.C. Tax Rate

SAN DIEGO (CNS)—No increase in last year's junior college tax rate of 24 cents appears likely for the current year, according to a report filed this week by the County Board of Education with the Board of Supervisors, although the amount required from taxes is up close to 20 per cent.

It is expected that the big increase in assessments will enable the present rate to be held.

The county areas outside of existing junior college districts pay to permit their students to attend any junior college in the county. The sum required for the coming year will be $1,111,821, offset by a surplus of $167,625. This leaves $951,196 to be raised by taxation.

Last year, the overall requirement was $930,412, offset by a surplus of $122,397, leaving $803,015 to be raised by taxes.

The tax rate is set by the County Board of Supervisors, after a report from the county auditor and controller.

There are only three districts now providing junior college services. These are the San Diego Unified, Palomar and Oceanside-Carlsbad High School districts. Property owners in these districts do not pay the county junior college tax.

BACK TO SCHOOL — Parents, are you worried because school is about to start and you haven't outfitted the kiddies yet? Well, in this issue of this newspaper you will find a special Back-to-School section. It contains information about registration for school, and it has scads of information about clothing and accessories — and where you can buy them. —Staff Photo taken during summer session at San Miguel school.

College Grove Center Sets Grand Opning

College Grove, San Diego county's first regional shopping center, will have its long-awaited grand opening this Thursday.

The majority of the 60 stores and shops comprising the Center will open their doors, some for the first time. Others are being readied to follow soon after.

Public response during the grand opening weekend is expected to exceed attendance figures set during the initial July 28 opening of the first 19 stores when nearly a quarter million people—one out of every four persons in San Diego County—visited College Grove.

Local and out-of-town dignitaries will participate in special brief ceremonies planned for each of the following mornings at 8 a.m. On Thursday, the Fountain of Faith will be dedicated, with College Grove developers and San Diego Children's Hospital officials taking part.

On Friday, the speedramp, or "moving sidewalk," will be dedicated and set in motion officially. There will be a parasol parade of pretty girls up and down the speedramp. Water will be turned on and flow over a 15-foot indoor waterfall adjoining the speedramp.

Saturday morning the new College Grove Helistop will be dedicated, following a maiden flight from a downtown airport. Parchment scrolls, honoring each of the four owner-developers of College Grove, will be presented by John Adlon, president of the College Grove Merchants Assn., at the Helistop site. Recipients of the scrolls will be Michael C. Birnkrant, John Graham, Leo Hartfield and E. Phillip Lyon.

All merchants are offering grand opening specials. Many are giving away gifts and favors.

Registration at the center for a huge public drawing for over 100 prizes in cash and merchandise, valued at more than $2,000, will also get underway. Top award is a free round trip flight for two persons to Honolulu by United Air Lines Jet DC-8 Mainliner, with a week's stay at the Hawaiian Village Hotel. The winner will also receive a $150 check, donated by the College Grove Merchants Assn., as "spending-money" on the trip.

Walker Scott, largest single facility at the Center, is offering a $150 merchandise award, and gift certificates of varying lesser amounts are being donated by other stores and shops. Among other prizes are starter

New News Editor Named for Papers

Milton Brantley, graduate of the journalism department at Wichita University, Wichita Kansas, and former technical writer at Convair, this week succeeded Don Wilson as news editor of the Lemon Grove Review and the Spring Valley Bulletin.

Wilson will go to Santa Cruz next week to head a news bureau for the Watsonville Register-Pajaronian.

The new news editor is 31 years old. He was Promotions Manager of KTVH television, Wichita, Kansas, prior to coming to California.

'A Light Slap'

Vandals Hit Schools, Do Varied Damage

Vandals slapped, but slapped lightly, at the area schools this summer. Normal forms of school vandalism, such as windows being broken, showed up during the summer, with August taking the brunt of the action.

Lemon Grove schools suffered the most damage. Windows were broken, doors forced and their locks broken, gravel was thrown into vents, and a water pipe was broken.

The cost created by vandalism was $275 for the summer with the majority paying for the broken pipe and the results of water seepage. Several of the guilty parties were caught and their parents billed for the damage, according to Byron Netzley, superintendent of Lemon Grove schools.

Netzley attributed the vandalism to play and, in some circumstances, to purposeful destruction. He noted that the majority of vandalism occurs during the time just preceding the start of school.

Spring Valley schools had very little damage as a result of vandalism, according to Dick Manzella, assistant superintendent of public information for the Spring Valley schools. There was broken windows and a few scratched doors. The total cost of the complete Spring Valley area was approximately $400, he said. The letters of the name of one school were torn off and scattered about.

Vandalism occurs most often during late August and very early September, he added. There has been very little vandalism in the public schools. There as been no major destruction in several years.

There was one break-in at Mt. Miguel High School during the summer. There was some destruction inside the building. One letter from the high school lettering was reported missing.

For all the high schools in the district, there was a total of $3,000 damage caused by vandalism, $2,000 was covered by insurance.

The high school board recommended Monday night the establishment of a six-month contract with Heartland Security Patrol for a weekend patrol of the high schools in the district. The patrol will start when school convenes.

L. G. Man Urges Area Racing Center

Group Abhors 'Drag Strip' Demonstration

A Lemon Grove man, and former official of one of the largest racing organizations in the United States, Tuesday, urged the establishment of a racing center for the racing enthusiasts of the area.

Ervin E. Major, past president of the San Diego Racing Association, noted the need for the racing center following the mass demonstration by drag strip enthusiasts in San Diego Sunday morning. Thousands of people participated in the demonstration and over a hundred were arrested.

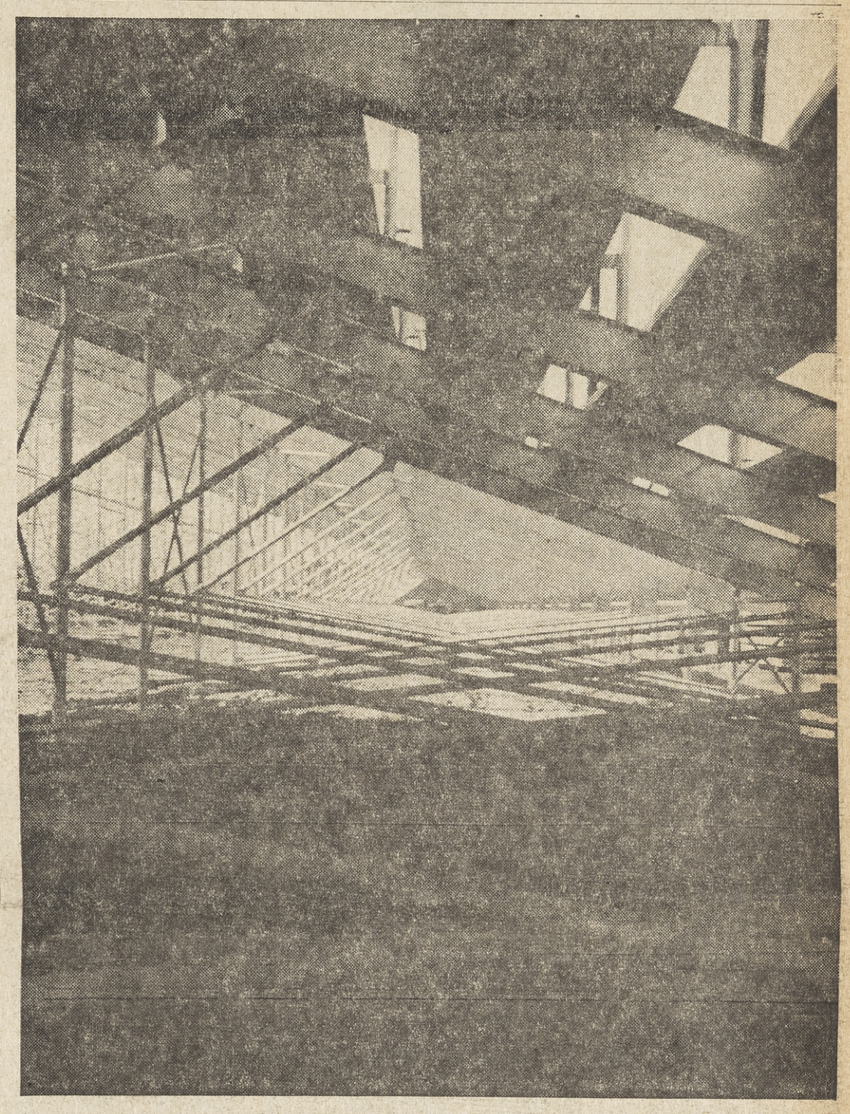
Major stated that he and the association realizes the need of the racing center and they will support and aid any legitimate group or groups to obtain one.

"Racing is competition," Major said, "and so is life." "Competition is a necessary element in life."

He stated that the Association does not agree with the method used by the demonstrators and does not condone action of this type. He feels that the demonstration will not accomplish its ultimate goal. The demonstration, he said, will have a tendency to alienate people. It will, possibly, cause some people to think and cause a legitimate action, he added.

Major noted that since the closing of the legal drag strip here has been an increase in he number of tickets issued for illegal racing and other

(Continued on Page 3)



PATTERN — Supporting framework for the new bleachers at Mt. Miguel high school form interesting pattern. The Mt. Miguel Boosters Club (mostly parents of students there) is erecting the bleachers by volunteer labor. Money for the bleachers was borrowed from the high school district and is to be repaid through use of 25 per cent of the gate receipts at athletic functions. After the bleachers are paid for, the whole amount of the receipts will go to the high school district and the Associated Student Body. Other schools in the district which do not have bleachers will use the Mt. Miguel stadium next year when it is available.

Local Registrar Tells Rules for Voter Eligibility

"If you have moved since the election of 1958 and want to vote in the November, 1960 election, you must reregister,' says Mrs. Ted (Charlotta) Phillips, deputy registrar of voters in Spring Valley.

She said recently that according to a recent report in a national magazine, there are 5(million eligible persons not registered to vote in the United States. The article, Mrs. Phillips said, stated that California and New York are the two states with the lowest number of registered voters.

Mrs. Phillips said she will register voters at the Mayfair Market in Lemon Grove each Thursday, Friday and Saturday, noon to 6 p.m. She is home each evening to register. Her phone number is HO 6-4209.

Mrs. Betty Seymour Robinson, also a deputy registrar of voters of Spring Valley, announces that she will be at the Valley Farm Market, Campo and Bancroft, each Wednesday from noon until 4 p.m. through Sept. 8 to register voters for the Nov. election. On Sept. 12, 13, 14 and 15, Mrs. Robinson will be at the Valley Farm Market all day.

High School Bands To Begin Practice

Mt. Miguel high school band students will start their marching and practice prior to school opening. Any new students in the district, and all freshmen will meet on Wednesday, August 31, from 2 to 3:30, Thursday 10 to 11:30, and Friday 10 to 11:30. The full band will start practice Tuesday, Sept. 6, from 10 to 12 noon.

The Mt. Miguel marching band will start its season at the all-district football carnival at Aztec Bowl.

The DIMMER VIEW

by MAX GOODWIN

San Diego County Welfare operates under a canopy of secrecy given it by Sacramento bureaucrats and it is this secrecy which permits many welfare wrongs to go undetected and uncorrected.

It is fair to state that if all the welfare cases involving dishonesty, fraud, and sloppy performances on the part of the welfare department employes were made public, there would be a taxpapers' revolution. It would also bring about many needed changes in the Department's operation.

Under the canopy of secrecy, many welfare workers have a mistaken attitude regarding their power and authority. These sins cannot be corrected until secrecy in government is removed.

The County Probation Department is similarly protected by a curtain of secrecy while Welfare and Probation are entirely different, their makeup and objectives are analogous and so is their protection of secrecy.

We ran head-on into Probation autocracy a couple of years ago and these stories were published in this newspaper. We reported at that time that two County Probation Department workers had snatched the children of a respectable Spring Valley couple when the mother of the family spanked her five-year-old daughter for being naughty. Probation Department workers reported they had been driving past the couple's home, had observed the spanking and had returned with a warrant and two sheriff's deputies and removed the children to juvenile hall over the terrorized screams of the mother.

It was later proven that the couple was a law-abiding sober and respectable one and the children were returned, but the experience almost drove the mother insane. In addition, the court informed us that the case was held in continuance for one year and if we published anything about it during that period we would be cited for contempt.

When the year was up we published the story and we were immediately intimidated by the Probation Department workers. One threatened suit through her personal attorney. She also came charging into my office complaining about the

Talent Show Contestants Being Sought

Contestants are needed for the talent show, to be sponsored by the Spring Valley Chamber of Commerce, at the Spring Valley Days Fiesta Oct. 8-9.

The talent show, is to be held in the Chamber of Commerce hall, 9050 Memory ln., the evening of Oct. 8. Auditions for the show, which will be non-competitive, will be held Monday evening at 7:45 in the Chamber of Commerce hall.

To carry out the "Silver Anniversary" theme of the chamber of commerce, each contestant taking part in the show will receive a silver dollar. Mrs. Jean Eskridge, talent show chairman, urges all persons interested to get to the hall early as there are several other things to be discussed regarding Spring Valley Days.

Mrs. Robert (Rosarie) Graham, general chairman of the Fiesta, urges all business and professionnal persons, as well as home owners, to be present at Monday night's meeting. Many important things are to be discussed which are important to the Spring Valley area. A communique has been sent to many of the business houses of the area telling of the program as set up for the Spring Valley Days Fiesta.

Bill Zabel, parade chairman, still urges persons to sponsor a unit in the parade. The cost will be $10, which goes for the purchasing of a silver trophy for the sponsored unit.

Mrs. Joseph Bonaventura

Wedding Rites in Valley Unite Two Schoolmates

A young Spring Valley couple who graduated from Mt. Miguel high school and attended San Diego state college together were married last Saturday in the Spring Valley Friends Community Church in a beautiful candlelight ceremony. Rev. Loren Mills, pastor of the church, performed the ceremony.

The newlyweds are Joseph Bonaventura, son of Dr. and Mrs. Frank Bonaventura of 3915 Avocado blvd., in the Homelands area, and the former Celia Jean Taylor, daughter of Mr. and Mrs. Rolan Taylor, 8780 Lamar st.

The bride was given away by her father. Her formal-length wedding gown was of tulle and lace over satin; she wore a tiera of stephanotis and carried a bouquet of orchids and stephanotis.

The maid of honor was Grace Weaver, who wore a dark blue satin gown with a tulle jacket. She carried a bouquet of carnations. Bridesmaids were Gail Ralston and Mary Bonaventura, who wore powder-blue gowns and carried bouquets of carnations. Flower girls were the three young daughters of Mr. and Mrs. Mel Tenney jr., Susan, Nancy and Jane, and all wore powder blue dresses. The ring bearer was Phillip Bonaventura.

Best man was John Bolinger and the ushers were Jim Taylor and John Miller.

The reception was held in the patio of the church. Following a honeymoon in Northern California, Mr. and Mrs. Joseph Bonaventura will be living at 3238 Central ave., Spring Valley.

Local Births

WHITAKER, James — 8871 Crestmore, Spring Valley Estates; August 14, 1960, girl; Valley View Hospital.

BERKE, William—2167 Helix st., Spring Valley; August 13, 1960, boy; Grossmont Hospital.

WHITE, William—3058 Waite dr., Lemon Grove; August 14, 1960, girl; Grossmont Hospital.

DARNELL, Davie—7566 Lemon Ave., Lemon Grove; August 14, 1960, boy; Grossmont Hospital.

LOVEDAY, Frank—2830 Central Ave., Spring Valley; August 15, 1960, boy; Grossmont Hospital.

ERBER, Lewis—8849 Lanee, Spring Valley; August 16, 1960, girl; Grossmont Hospital.

EADLOR, Billy—8747 Troy, Spring Valley; August 16, 1960, girl; Grossmont Hospital.

MAY, Jimmy—1502 Gowin st., Spring Valley; August 16, 1960, girl; Grossmont Hospital.

Local Bridge Player Makes Top Score

LOS ANGELES (Spel.)— William Hampton, 2610 Arnott st., Lemon Grove, won a top section score Saturday in the Summer National American Contract bridge tournament being held in Los Angeles at the Hotel Ambassador.

Hampton, playing with Betty de Bevoise, of San Diego, took the section in the California Pairs competition against 482 other paris competing in the event.

GROWLER GOING

SAN DIEGO (CNS)—Another step toward extinction of Spring Valley's famed "Growler Cafe" took place last week at the session of the County Board of Supervisors. The Board approved commercial zoning for the Campo Road land of Bruno Borst, operator of the Growler. Borst's donations of land for widening the road were also accepted by the county.

Five Job's Daughters Journey to Long Beach

Five Lemon Grove girls representing Bethel 229 of Job's Daughters went to Long Beach last week where they attended the Supreme Guardian Council Convention of the International Order of Job's Daughters.

They are Misses Connie Perkins, Honored Queen; Donna Bell, Senior Princess; Peggy Taylor, Junior Princess; Beth Gramoy, Guide; and Shirley Sunbury, Marshal. Mrs. Margaret Perkins was chaperone.

This was the first time representatives of the Lemon Grove Bethel have attended a Supreme Session.

Representatives from Australia, Canada, the Phillipines, as well as the United States, including Hawaii and Alaska, attended the convention.

Activities at the convention included a luncheon, formal banquet, Council sessions, and excursion trips to Long Beach, Disneyland, Knotts Berry Farm and Marineland.

Lemon shaped pillows with Lemon Grove written on them were taken to the convention by the Lemon Grove girls. These were like the "Lemon" taken to the Grand Bethel Convention at Fresno, Calif., last year.

World War I Vets Auxiliary Holds Party

Barracks 1774 of the Spring Valley Veterans of World War I Ladies Auxiliary had a birthday party Monday, August 15. The Barracks is one year old.

A birthday cake of ample proportions topped off the celebration dinner. Mr. William Doughman, the first commander of the veteran's organization and Mrs. Doughman, first president of the Ladies' Auxiliary, gave brief talks in which they indicated they were leaving the area.

Guests from El Cajon, Poppy Barracks, South Bay, and San Diego Barracks attended the party.

The Spring Valley Ladies' Auxiliary was instituted by Mrs. Hazel Bonahan, past president of San Diego, and her officers; Mrs. Margaret Quicker, past president of El Cajon Auxiliary; and Mrs. Bonnie Carter, 19th Area president.

Bancroft Baptist

The regular visitation meeting of the Bancroft Baptist Church will be held Thursday at 7:30 p.m. in the church. Chester Perkins will be in charge. Child care will be provided with Mrs. Inez Perkins in charge.

Rev. Ginn is to be home from his vacation in time to preach the Sunday, 11 a.m. services.

Plans are under way for a musical instruction program to be held in conjunction with four other Southern Baptist churches. To be taught will be music reading, vocal and instrumental. Times and places are to be announced.

Women Planning Ice Cream Fete

A chuck wagon style dinner will be held in the patio of the Spring Valley Friends Community Church, Bancroft and Kenwood drives, Friday, from 5 p.m. on. Mrs. Wilma Walker chairman, says the dinner is open to the public at a nominal donation. There will be lots of good food, in a pleasant atmosphere and also a good musical program, Mrs. Walker says.

Mrs. and Mrs. Daniel Gourdeau

Patricia Mouillesseax Wed to Daniel Gourdeau

Patricia Mouillesseaux, daughter of Mr. and Mrs. Eugene A. Mouillesseaux of Lemon Grove, became the bride of Daniel A. Gourdeau of Pasadena recently at St. John of the Cross Church in Lemon Grove. Dr. and Mrs. A. E. Gourdeau of Sierra Madre are parents of the bridegroom.

The bride is a graduate of Helix high school and of Occidental college in Los Angeles where she was a member of Sigma Alpha Iota, national music fraternity for women. She is now teaching in the Los Angeles city school system. Mr. Gourdeau received his master's degree in English at Los Angeles state college and plans to teach at the junior college level.

The new Mrs. Gourdeau was attended by her sisters, Miss Jacquelin Mouillesseaux as maid of honor, and Miss Sharon Mouillesseaux as bridesmaid, while Robert French was best man. Ushers were Ralph Mouillesseaux and Edward Mouillesseaux. Celeste French, sister of the groom, played the organ for the Nuptial Mass.

The couple will reside in Pasadena following their honeymoon at Big Bear Lake.

ENGAGED — Captain Robert A. Mount (MC), USN, and Mrs. Mount of 3712 Mt. Sandy Dr., San Diego, announce the engagement of their daughter Barbara Burke, to Thomas M. Best Jr., son of Mr. and Mrs. Thomas M. Best of 2317 Edgerton Dr., Lemon Grove. The bride-elect is a senior at San Diego State College where her sorority is Kappa Delta. Her fiance, a graduate of Helix high school, also studies at San Diego State, where he is a member of Alpha Tau Omega fraternity.

Marie Overgaag Marries Jerry Wayne Williams

Miss Marie Annette Overgaag and Jerry Wayne Williams were united in marriage August 13 at Santa Sophia Catholic Church in Spring Valley. Rev. John J. VerHoeven officiated.

A gown of delustered satin, princess style bodice and sweetheart neckline with cap sleeves designed by the bride's mother, was chosen by the bride for the ceremony. Her finger tip veil was held by a crown of pearls. She carried a bouquet of butterfly orchids, white camellias, stephanotis and ivy.

Mr. and Mrs. Henry Overgaag, 9338 Campo rd., Spring Valley, are parents of the bride and Mr. and Mrs. Delbert Williams, 579 Elkelton, Spring Valley, are parents of the bridegroom.

Bridal attendants were Miss Marie Oddo, matron of honor, gowned in tangerine princess style brocade taffeta with headpiece and mitts to match; Mrs. Sylvania Marcon and Miss Pat McElhaney were bridesmaids, gowned in yellow brocade taffeta.

Best man was Louie Van Boom and ushers were John Coseo and Roger Mehlbrech. The bride's aunt Mrs. Marie McCleary played the organ and Miss Lynn Coseo was in charge of the guest book. A reception at the church followed the ceremony.

Out of town guests attending the wedding were the bride's uncle M. C. McLaughlin and her cousins Mr. and Mrs. Gus Grihalva all of South Gate; and the bridegroom's sister Mrs. Robert Henrichsen of Stockton.

The bride graduated from Mt. Miguel High School and attended San Diego College for Women. The bridegroom graduated from Helix High School and is a student at San Diego University.

(Continued)

handling of the story. We checked the Probation Department concerning the flexibility of Probation Department workers' time. We were informed that workers may use their time as they see fit and that there appeared nothing unusual in a worker taking part of a work-day to get a newspaper article straightened out!

This material is rehashed solely to add to the evidence that there can be something very wrong with governmental bureaus capable of making their own rules and operating in the vacuum of secrecy.

Welfare and Probation Departments are costly to those who must work to pay the cost of operation. If our citizens have the responsibility to pay, they also should have the right to know!

* * *

Suggested plank for political party platform: Federal payment to householders for time used in defrosting those so-called frost-free refrigerators.

* * *

From a clipping from the Fairfield (Ia.) Ledger, we submit a timely observation from the typewriter of the newspaper's editor, Walter E. Williams.

"We have just read that in a Texas town they have an annual top-spinning contest in which men, women and children compete. We hadn't thought of it for years, but we wonder: Where are the tops? Or, for that matter, where are the marbles? Or mumbledy-peg? Or the dozen other things that made a long, lazy summer a heaven for boys?

"And suddenly we know. The boys are busy being entertained by adults in 'supervised recreation'... And we're inclined to be a bit curious why the 'juvenile delinquency' had never even been thought of when kids were so neglected that they went to the devil playing run-sheep-run and shinny and one-o'-cat.

"Some of the more venturesome among them hunted wild strawberries, came home with a large pan of berries and a sense of accomplishment. A lot of them picked cherries on shares and brought home their share for mom to can. Widow ladies never needed to worry about their lawn-mowing. There were a dozen boys in the neighborhood ready to do the job for a quarter. And it had better be done right or some other kid would get the job next time.

"But we suppose it wasn't good. There were no child-labor laws which said a child couldn't work without getting permission from the school authorities. The Government had not yet decreed that everybody should be paid a dollar an hour. There was no social security. No 40-hour weeks. No time-and-a-half. No income taxes.

"In short, there had been no social progress. But somehow, all the kids grew up to be self-reliant citizens. And they built a great nation. And now they read that the Russians are working harder than we are and their leader has promised them they can bury us.

"The thing we don't know, and we'd like very much to know, is whether the Russian kids are spinning tops?"

* * *

The public is slightly frustrated when it comes to Communism. People are against it just like people are against sin but unless you are practicing either, there's little you can do for the good of society except stop it.

For those of us who are non-practitioners, about all we can do is click our tongues and say it ought to be stopped.

The San Diego School of Anti-Communism is a good step forward in educating our citizens on what to look for and what to resist in our fight against the Red Scourge. Few of us were able to attend the sessions but we are happy to report that members of the Lemon Grove school district, the La Mesa-Spring Valley school district, and the Grossmont high school district all turned out in pretty good force at the school.

Thus, through our schools, the well-spring of knowledge, will we be better informed and better prepared to fight for the force which would destroy our way of life.

Farm Bureau Sets Livestock Meeting

The San Diego County Farm Bureau will hold its annual livestock department meeting Thursday at 7.30 p.m. in Room 82 of the El Cajon high school, Madison ave.

Ray Griffin, Calif. Farm Bureau Federation Livestock specialist, will discuss "Labor, as it Affects the Livestock Industry in California." He will touch on the subject of beef grading.

There also will be election of officers for the coming year. All interested persons are invited to attend. William Tulloch is chairman.

NEW STORE—It'll be a new store with new owners next Thursday. On Sept. 1 Bill and Dena Sutherland will take over Marsi's Lemon Grove clothing store. It will, henceforth, be known as dena's Fashion Shop. Bill Sutherland has been with the J. C. Penney Co. for 19 years, the last six in El Cajon. Mrs. Sutherland has worked in dress shops in the past. They have two children, Connie, 14, and Billy, 11. The family plans to move to Lemon Grove soon. —Staff Photo

Group Abhors 'Drag Strip' Demonstration

(Continued)

traffic violations.

Major doesn't think it should be up to the city or county to provide a drag strip. It should be up to the racing groups to acquire the land and build the strip. It should be up to the city or county to cooperate and assist once the land is accumulated.

The city or county could lease the land to the racing groups and therefore bring additional revenue into the area, he said. This would give the groups the drag strip they want and let the city or county realize a benefit.

The best suited place for a drag strip is on Kearny Mesa, Major said. The industrial area there would be well used by this type of activity. There would be none of the problems faced by a track near residential areas such as excessive noice, he added.

College Grove Center

(Continued)

savings accounts, cameras, diamond ring and watch, complete wardrobes, a year's supply of shoes for one child, a $100 diamond-studded ballpoint pen, and a month's free care for one child at the Center's Park-a-Tot nursery.

Entry forms may be obtained from any College Grove merchant. There is no obligation. Final drawing will be held September 10.

Adult Education Programs Ready

Fall Class Programs for the Grossmont Adult School program are now available in "give-away" boxes in all the community post offices and libraries.

Classes are scheduled to start September 12. Daytime centers will operate at Lakeside, El Cajon, La Mesa, and Lemon Grove. Evening classes will be held at Mt. Miguel, Helix, El Cajon Valley, Grossmont, and El Capitan high schools.

Foothills Methodist Church Ready for New Home

Moving into the new Foothills Methodist Church is to be completed this coming week and the first services are to be held Sept. 4.

The official board of the church has voted to have two services each Sunday, starting Oct. 2. The first service will be at 9:30 a.m. and will include church school for all ages from nursery to adults. The second service will begin at 10:45 a.m. and will include nursery care for infants and small children. The regular 10 a.m. hour will continue to be the worship time during the month of September.

A special service of Consecration will be conducted by District Superintendent Dr. Edwin Reeves on Sept. 18 at 10 a.m.

Layman Adam Shawkey of Foothills Methodist will give the message at the morning service Sept. 4. The pastor, Rev. James King, will be speaking at a three-day young adult conference at Cedar Glen.

The church is starting a new policy. . . .Starting the second Sunday in Sept. the pastor will be assisted by a layman in the worship service. The layman selected will serve for one month.

An all-church picnic, sponsored by the Methodist Men, will be held on Saturday, at El Monte Park, beginning at noon. Everyone planning to attend is requested to bring his own picnic supper. The Men's club will supply punch and coffee. Some of the activities being planned are a father and son baseball game, dancing, games for children and many others.

The Juniors and Seniors of the church met last Sunday for a wiener roast. They made plans for the fall program.

All the men of the church are requested to meet at the church at 2:30 p.m. to start moving things into the new church building. Pickup trucks are needed.

The board of trustees of Foothills Methodist recently recommended that each member of the church have the privilege of purchasing a key to the church. The board felt that this is another way for the members to feel that it is THEIR church. The official board will make the final decision.

New members will be accepted into the church the first Sunday in Oct. Those desiring to affiliate with the church are requested to get in touch with Rev. King.

A meeting of all choir members will be held in the parsonage Tuesday at 7:30 p.m.

Edward J. McEvoy of San Diego, landscape architect, has been engaged to lay out the landscaping of the church's seven acres. The plan is to give the church grounds the same type of atmosphere as a park. The development of recreational facilities for the youth is also being considered.

At the last official board meeting of the church, Anderson Doyle of 10621 Garden Way was elected chairman. He succeeds Al Stroh, who has moved to Los Angeles. A vice chairman will be elected at the next meeting.

Rev. James King, pastor, will start a new series of sermons in Sept., based on beliefs of a Twentieth Century Christian. The series will be titled "A Relevant Faith in a Revolutionary Age."

The Methodist Union meeting will be held Monday at the First Methodist Church in San Diego. Dinner starts at 5:30 p.m. and the program at 7 p.m. The minister will discuss a home for adolescent girls that is being organized in the San Diego area.

Christian Science

The vital significance of the life and works of the master Christian will be the central topic of the lesson-sermon entitled "Christ Jesus" which will be read at all Christian Science churches Sunday. The Golden Text is from Isaiah (9:6), "Unto us a child is born, unto us a son is given: and the government shall be upon his shoulder."

Scriptural selections will include this passage from Luke's Gospel (4:40,41), "Now when the sun was setting, all they that had any sick with divers diseases brought them unto him; and he laid his hands on every one of them, and healed them. And devils also came out of many, crying out, and saying, Thou art Christ the Son of God. And he rebuking them suffered them not to speak: for they knew that he was Christ."

LM United Presbyterian

"You and Me" is the title of the sermon the Rev. Kenneth E. Grant, pastor of the La Mesa United Presbyterian Church, will present at the 9:30 and 11 a.m. services, Sunday, August 28.

A Communicants' Class for those looking forward to membership in the church will begin September 1 and will continue for seven weeks. This class is for high school through adult ages. The new members will be received into the church Christmas morning.

The Mariners will host a Luau at the home of Mr. and Mrs. Bob Davis, 4355 Yale Ave., La Mesa, Saturday, August 27 at 7:15 p.m. The cost is $1 per person and invitations are open to all wishing to attend. Reservations can be made by calling Lookouts Ernie and Barbara Jones, HO 3-3765.

Paul, manager of the U.S. National Bank in Lemon Grove. A display depicting activities of the FBI will be on exhibit in the bank's lobby for the next two weeks.

Vista La Mesa Christian

Members of the congregation of the Vista La Mesa Christian Church will honor the Rev. Louis Mayo Sunday, August 28, with a coffee hour following the 11 o'clock service to say "thank you". Mr. Mayo will that day preach his last service as an interim pastor, having served since July 1, 1960. On September 1 the new pastor, Mr. Richard Davis, will arrive from Sharpsburg, Kentucky.

GOD'S MINUTE

REV. H. C. BAKKEN

"GOD'S LOVE"

God's love is great enough to forgive the sinner. Jesus Christ did not come to condemn us, but to save us. In love, God offers us free and full forgiveness. However, you must receive it.

Henry Ursillo Passes at 40

Burial services were held Wednesday in Rosecrans National Cemetery for Henry J. Ursillo, 40, of 8120 Roy st., Lemon Grove. He died August 18 in a hospital.

Ursillo was a partner in the Alan John of California clothing manufacturers in downtown San Diego. He was a native of Maine but had lived here 12 years. He was a veteran of World War II.

He is survived by his widow, Eris; three sons, Vincent, Robert and Michael; a daughter, Sandra; two brothers, Carmine and Alfred, all of Lemon Grove; and four sisters including Mrs. Robert Stadler of Lemon Grove and Mrs. Alexander French of La Mesa.

Requiem mass was said Wednesday at the St. John of the Cross Catholic Church in Lemon Grove.

'Give up, Mabel. You can't hear the neighbors through those LATH AND PLASTER walls."

Grove Man to Teach Extension TV Course

Burke Ormsby, 2618 Sheri ln., Lemon Grove, is a member of the distinguished 100-member University of California Extension faculty. The faculty was announced last week along with the largest, most complete program in University Extension's history.

Ormsby will teach Television Survey and Workshop, which is a general survey of television developments, emphasizing technical standards, production techniques, problems of programming and laboratory work in writing and testing of commercial and program ideas. The final class project will be a 30-minute "on camera" program.

The Lemon Grove resident is program director of KFSD-TO and the course will be held in KFSD-TV studios.

Guest lecturers will be drawn from the staff of KFSD-TV, AM and FM and may include Leroy Bellwood, vice president and chief engineer; Mildred Fenton, public affairs director; John Gentri, radio disc jockey, also of Lemon Grove; Pat Higgins, news director; and Jim Wade, executive producer.

C. A. Lewis, University of California Extension Area representative, announced the fall program last week. In making the announcement, he said: "In its 44th year of operation locally, University of California Extension has increased its fall classes and special programs in number and quality to the highest level yet reached. The offerings, which result from local demand and need, have increased as the population and the cultural level of the community have increased."

Over 3,500 students are predicted to enroll this fall and more than 10,000 are expected to participate in such special events as the International Film Series and Executive Profile lecture series. Registration opened August 1 at the Extension office, 1221 Fourth ave., San Diego, and classes begin the third week in September.

John Ellis Services Set

Funeral services for John Walter Ellis, 42, of 8859 Lakeview rd., Lakeside, will be held Friday at 10 a.m. at the Spring Valley Friends Community Church, Bancroft and Kenwood Drs., Spring Valley.

Rev. Albert De Groat, pastor of the Campo Community Church, and Rev. Loren Mills, pastor of the S.V. Friends Church, will officiate. The services will be under the direction of Erickson-Anderson Mortuary of La Mesa. Burial will be in Ft. Rosecrans NaNtional Cemetery.

He died Aug. 19, after apparently suffering a heart attack at the Spring Valley Chamber of Commerce hall, where he was guest caller at a square dance.

A native of Cedar Hollow, Pa., Ellis had lived in the area 18 years. Before moving to Lakeside, where he had lived just one day and night, he had lived in Spring Valley and La Mesa. He had been employed at the La Mesa Sheet Metal Works for 15 years. He was a veteran of World War II. He was a member of the Campo Grange.

Survivors include his widow Nancy Ellis; a daughter Paula Jane; his mother, Mrs. John W. Ellis Sr. of Plymouth, Ill.; two sisters, Mrs. Dillard Curry of Plymouth, Ill., and Mrs. John Crane III of France (her husband is in the service); a brother, Ernest Ellis of San Francisco, Calif.

LIGHTING

During the homework period, proper lighting is essential. Basic rule is to have good overall room lighting, plus a wall, study or table lamp to light the entire work surface.

News of Spring Valley Estates, Mt. Miguel Terrace and La Presa

By Elaine Horowitz
HO 3-5393

September 8 is the date set for the luncheon being given the teachers of Avondale School, by room mothers and board members of the Avondale PTA.

If interested in becoming a room mother, contact Mrs. Jack Balch, HO 3-6148.

—o—

'TV Stars'

The date for the TV showing of "It Could Be You", starring Avondalee PTA members, was changed from August 22, as originally intended, to August 24, but not in time to notify you via this column. For those of you who missed it, here are a few highlights of the show, and behind the scene reactions.

Sydney Merritt and Margie Daynes were called up on the stage, where they met and were kissed by Mr. George Jessel, the famous toastmaster-comedian, but not before we were exposed to the truth about these two. We learned that neither steaks nor the rears of your car are safe from them, so watch it!

They at least, were fortunate enough to be able to sit down while on camera. Not so Bess Maguire and myself when we were called on stage for the reunion quiz. We had to stand there for what amounted to about two minutes, but seemed like hours. When comparing notes later, I found we were both concerned with one thing only; not if our lipstick was on straight, or our slips showing, but hoping the camera was not taking in the fact that our knees were shaking so badly that we could hardly stand still.

Mrs. Tressie Neilhouse and her 11 month old daughter, Barbara Jo, were brought to the show from Oroville, Wash., to surprise Bess, who hadn't seen her sister in four years; and surprise her it did.

Our little excursion into the World of TV had nation-wide repercussions, as postal sales and electricity consumption soared, for Thursday found most of the 125 "TV Stars" at their local post offices buying and mailing hastily written cards to friends and relatives, which went something like "Watch Me." How vain can people be? Why, I only sent out about 20 myself.

—o—

Meet Your Neighbor

Meet Dorothy and Glen McCormick, San Diego residents for the past 12 years.

Dorothy was born in Smith Falls, Ontario, Canada, has varied hobbies, and is secretary of the Women's Auxiliary of the Spring Valley Little League.

Glen was born in Missouri, is retired from the USN, and works now at Convair. He is a coach in the Little League, and was instrumental in obtaining the ball field for the League, in which son, Mike 7½, plays.

The feelings of this fine couple are stated best by Dorothy, who wrote, "Actually, we've done very little. There is so much to be done. I insist we need each other, but we mustn't ever brag. (The bit we do, we should do well.)"

—o—

Softball Team

The Spring Valley men's softball team played North Clairemont August 21, and won with a score of 15-4. The only mishap of the game was when Al Bracelle broke two fingers, which was enough to upset the game, but after he was taken care of, our boys went on to win.

Their next game will be against Chula Vista this coming Sunday.

Major Highways Plan Now Being Revised by County

SAN DIEGO (CNS) — Revision of the county's "Master Plan of Major Highways" is underway, according to a report made to the County Board of Supervisors by Dr. Willis H. Miller, county planning director. The revision will be the first since 1952.

Miller's disclosure came in response to a request from the board for a report on the activities of the regional plan division that he persuaded supervisors to allow him to set up. The board put off action for several years, until it released funds for hiring a planner last November.

Miller's report also says that efforts to prepare an ordinance to control "natural resources," to work out a way to handle sand and gravel operations, have collapsed because of lack of interest on the part of officials of the sand and gravel industry.

A series of reports on county-wide activities, including industry, agriculture, housing, flood control and air pollution, are being prepared, Miller's report stated. He also said a survey on the county's small craft harbor prospects has been started.

Ben Patterson Services Held

Funeral services for Benjamin H. Patterson, 60, of Highway 94, Star Route, Spring Valley, were held Tuesday at Greenwood Mortuary. Burial was in Greenwood Memorial Park. He died Saturday in a San Diego hospital.

A native of Arkansas, Benjamin Patterson had lived in San Diego county for 23 years and was owner of Patterson Trucking Co.

Survivors include his widow, Dorothy; four daughters, Mrs. Viva Hunt of Winter Gardens, Mrs. Bernice Lee of National City, Mrs. Lee Johnson of Lakeside, and Mrs. Fay Fite of Spring Valley; a son, Dalton Patterson of Lakeside; four brothers and three sisters; 18 grandchildren and three great-grandchildren.

LOCAL SCHOOLS OPEN SEPTEMBER 12

In Spring Valley And Lemon Grove

Registration for children who will be attending Spring Valley elementary and junior high schools will begin September 1, according to Dr. David Pascoe, assistant superintendent of the La Mesa-Spring Valley schools. Classes start September 12.

Children who were attending local public schools at the close of the semester in June need not re-register. All children who will be attending La Mesa-Spring Valley schools for the first time in September must be registered. Where a child has been legally enrolled in schools of another district within or out of the state, he may be admitted to school and placed in the proper grade upon registration and presentation of evidence of enrollment and grade placement in the former school of attendance, Dr. Pascoe said.

In registering children for kindergarten, parents should bring proof of the child's birth date with them. The California State Education Code requires that a child "shall be four years and nine months of age on or before September 1 of the current school year" in order to enter kindergarten. In other words, he should be five years old on or before December 2, 1960. Minimum entering age for first graders in California as of September 1, 1960, is five years and nine months.

A birth certificate, baptismal record, signed affidavit from parent or guardian, or other verification of birth date should be presented at the time of registration. Important health information, such as dates of smallpox and diphtheria inoculations should also be brought at that time.

Following is a list of schools in Spring Valley. If there is a question of what school is to be attended information may be secured by calling the District office, HOpkins 9-6171.

Avondale, 8401 Stansbury St., HO 3-1303.

Bancroft, 8805 Tyler St., HO 9-7868.

Casa de Oro, Agua Dulce and Ramona, HO 6-9135.

Rancho, 8845 Noeline ave., GR 4-5035.

Spring Valley Elementary, 3845 Spring St., HO 6-8307.

Spring Valley Junior High, 3900 Conrad dr., HO 9-0141.

Because of lack of operating funds school bus transportation in the La Mesa-Spring Valley School District cannot be expanded to meet increasing enrollment. Last June the board of education determined that only 19 buses could be operated with available money. Previously the district had employed 20 buses.

Because of the increase in enrollment and number of schools it was necessary for the administration to recommend that walking distances be moved back one-quarter of a mile for most children, according to Richard Manzella, information officer. The new walking distances, as adopted by the board of Education, are as follows:

Starting in September—Kindergarten through 2nd grade, ¾ of a mile; 3rd grade, one mile; 4th through 6th grades, one and ¼ of a mile; and junior high, one and ¾ of a mile.

School bus tickets will be issued to eligible children at schools being provided transportation. No school bus transportation will be provided at Avondale. Information regarding bus stops and "pickup" times for specific schools can be obtained by calling the school concerned, beginning September 1. Every effort will be made to provide school bus service under the new policy made necessary by lack of sufficient operating money, said Manzella.

School offices in Lemon Grove will open Monday, August 29, for registration and will remain open through September 9 from 8 a.m. to 5 p.m.

The first day of school will be September 12 and will be a regular school day. Cafeterias will be open, serving hot lunches. Parents may obtain further information regarding the school lunch program at the time of registration.

Students who must register before school begins are those who are new to the district, that is, kindergartners and all others who have not previously attended school in this district. Parents should bring birth certificates for all children being registered for the first time. Any child who was born on or before December 2, 1955, should be registered for kindergarten. Any child who was born on or before December 2, 1954, should be registered for first grade. Parents are encouraged to complete registration prior to September 9.

Bus transportation will be provided for students as follows: kindergarten pupils living more than one-half mile from the school of attendance; fourth through eighth graders living more than one mile from the school of attendance. Generally buses will follow the same schedules as last year. Parents new to the district will be furnished information regarding buses at the time of registration.

Teachers will be attending pre-school orientation days during the two weeks prior to the opening of school. Teachers new to the district will report September 1 and former teachers September 6.

Palm Junior High School, the second junior high school in the district, will be put into operation with the opening of this school year. With some exceptions, it will serve seventh and eighth grade students living in the Monterey Heights and Mount Vernon School areas.

Following is a list of the schools in the Lemon Grove School District with their addresses and phone numbers. Questions regarding transportation, lunches, etc., should be directed to the office of the school the child expects to attend.

Golden Avenue School, 7885 Golden Ave., HO 9-2119.

Lemon Grove Junior High, 7866 Lincoln, HO 9-4183.

Monterey Heights, 7550 Canton dr., HO 9-0159.

Mount Vernon, 8350 Mt. Vernon st., HO 3-9801.

Palm Junior High, 8425 Palm ave., HO 3-4119.

San Altos, 1750 Madera, HO 3-5531.

San Miguel, 7059 San Miguel ave., HO 6-3239.

Vista La Mesa, 7101 Pearson, HO 6-3281.

LEO NOWAK

COLOR CODE — Lemon Grove fireman Leonard Knight paints green top on fire hydrant in business district. Fire department last week painted hydrant tops throughout the fire district. Green tops indicate there is more than 1,000 gallons per minute available. Yellow tops are for hydrants where from 500 to 1,000 gallons per minute are available. Red tops show that the water availability is below 500 gallons per minute—and some supplementary source is needed. —Staff Photo

Allowance Teaches Thrift To Young School Folks

It is reported that more than five million students in U.S. schools have been accumulating almost two million dollars in our nation's savings institutions.

Because today, in spite of all protestations to the contrary, young people are saving as well as spending the money they earn while working at part time jobs, or out of their allowances.

This lesson in thrift becomes a vital one when parents start their youngsters with a fixed allowance and encourage and train the young people to stay within "their incomes".

Just how much the child should get . . . and . . . how often — depends on the family's income first; the child's age and needs next.

The youngster attending grammar school, according to authorities, should have a minimum allowance of up to 50-cents per week. However if the youngster should have to buy lunches at the cafeteria, or have other unusual expenses, the allowance would have to be increased.

As the youngster grows older, allowances should be increased to keep pace with school and social needs, age and ability. The older child should be encouraged to supplement his allowance with part time work earnings.

(For example, if you do not want your boy to work for strangers, then "hire" him to do the job you might employ a part-time worker to do for you — and, if he performs as well, don't cut the pay rate!)

While the majority of young people do not need any lessons in simply spending money, they do need guidance in wise spending and regular savings.

TV Courses Given In School Training

Educators expect educational TV to grow tremendously. They feel television will go a long way toward improving the quality of instruction.

It is one project, they say, which will help overcome the staff and space shortages in many schools as student enrollment continues to grow in the next decade.

Television courses have been added to the curriculum of many colleges throughout the country.

Students enrolled in these classes do their own "production" in studios with professional equipment. Laboratory work is also done to acquaint the students with the creative side of the medium. This combination gives students on-the-spot training.

Be Sure Student Has Adequate Light for Study

The eyes of a child are a priceless treasure and deserve the very best care possible. They must serve a lifetime.

Proper lighting is one of the most important essentials for good eye health.

Check the questions below. If you can answer "yes" to all of them — your child's study lamps and study area are all that they should be.

Does each lamp spread light over the entire study area? Is the area free of hand and body shadows? Are shades large enough and dense enough to prevent glare? Are walls and ceilings a light color? Is there additional lighting in the room?

QUIET

Tired of "cornering squeal?" V.I.P. tread rubber is specially *engineered* to eliminate screeching and howling on the heaviest of cars. Silence—the accepted new mark of quality rubber—is yours with V.I.P. re-treads. Now you can enjoy top driving satisfaction *for less!*

Huge Handbags Now 'Big' in Fashion News

A handbag is a co-ed's closest friend. A big, roomy tote-bag type will hold everything from lipstick to textbooks, while for glamour times a small gold or silver kidskin clutch adds newness to last year's formal gown.

The selection of leather handbags is now widest ever! Ultra-practical for the girl on campus are large over-the-shoulder bags in bold grained leathers. Some close with a drawstring—others lie flat and are decorated with small gold closings.

Satchels are due for a come back this term. A typical dressy model is an antiqued cowhide satchel with a hard box-like construction, self-leather handle and a decorative padlock in heavy brass.

One of many new soft grained leather bags is a closed tote with a hard-construction closing and a suitcase bottom with nailheads at the corner so that it can "sit at your feet" in class. It has a self-leather handle and soft suede lining.

Kitten-soft suede leather linings also distinguish new soft grained leather pouches with full-wide openings to make it easy to "find everything".

Small suede leather clutches are light, bright accessories to a prom or Saturday night dance. In deep colors or pastels, simple suede leather bags "pick up" a costume without being flashy.

For suits and casual wear, there's a "belt bag" in grained or smooth leather. It features a self belt with a polished brass buckle running horizontally across the center. Many stores will show it with a matching belt, making it one of the cleverest coordinates of the season.

SAFETY TIP

Warn your child not to drink directly from the vacuum bottle they carry with their lunch. Tell them to pour from the bottle into the cup lid or other container. Even with the best care the linings will sometimes explode shattering the glass.

Modern Teacher Has 'New Look'

The young women who makes teaching her career these days has an altogether "different look" than teachers of fifty years ago!

In the "good old days", a woman had to choose between her profession and matrimony—as many school boards forebade marriage for their women teachers. Today, except in a few areas — women teachers may marry. About 50 per cent of the country's women teachers today are married.

Not too long ago, a high school diploma and some extra preparation were all the requirements needed for teaching; today — at least one college degree and a major in education is compulsory in most states.

Today's teacher is smarter-looking too—she's fashion conscious, alert to the times, and often a leader in the cultura life in her community. So—the caricature of the old-maid, dowdy teacher is as outlived as "McGuffey's Reader."

ACCESSORIES

Ask the best dressed girl on the campus for the key to her wardrobe success. She'll tell you its the extra touches, thanks to colorful accessories that round out a well-planned wardrobe at moderate cost.

Youngsters learn water safety in PTA-Red Cross backyard swim campaign. Swimmers above were snapped in Jack Leezy's pool on Helix in Spring Valley. Scene is repeated in dozens of backyard pools throughout the area.—Staff Photo

Backyard Swim Program 'Successful,' PTA Says

Backkyard Swim 2-2-24 w/cut....

A successful backyard swim program is being held in the Casa de Oro area, sponsored by the Casa de Oro Elementary School PTA and the American Red Cross.

There are 21 classes with 166 children attending. The classes are being held in nine different area pools, with seven instructors. Area organizer is Mrs. Edward Gurling of Queen ave., in the Homelands area.

The children not only learn to swim, but are taught how to be safe in and around any body of water. The backyard swim program is strictly a volunteer program with both instructors and pool owners donating their time, talents and facilities.

The sponsors wish to thank the following persons for their contribution of their pools for the program: Col. and Mrs. John P. Mial of Itzamna st.; Mr. and Mrs. Harold Cole of Itzamna st.; Mr. and Mrs. Carl Mustol of Loma Rancho rd.; Mr. and Mrs. Paul Mitchell of El Canto dr.; Mr. and Mrs. Billy Miller of Diversion st.; Mr. and Mrs. Franklin Hobusch of Ybarra rd.; Mr. and Mrs. Ernest Angus of Louisa dr.; Mr. and Mrs. John Peace of Ramona dr.; and the Homeland Country Club on Campo rd.

The following women are responsible for a fine job of instruction, Mrs. Marjorie Hesche, Mrs. Lorraine Cole, Mrs. Beryl Mustol, Mrs. Harriet Allen, Mrs. Carol Binder, Mrs. Mary Yearwood, and Mrs. Anita Gurling.

—o—

Approximately 140 students enjoyed the benefits of the back yard swim program sponsored by the Spring Valley Elementary PTA, in cooperation with the Red Cross, reports chairman Glynn L. Haag.

The program in this area was held in the following pools: C. S. Williams, 3822 Rogers rd., Spring Valley; W. J. McNelly, 3630 Birdie dr., La Mesa; Richard Ribley, 9545 Campo rd., Spring Valley; and J. A. Pickens, 9426 Barbic ln., Spring Valley.

Instructors were Carolyn Belt, Dottie Saltus, Bernice Gronnel, Mary Ann Klein, Millie Dickenson, and Adele Nelson.

Youths Shoot Holes In Bicycle Tires

Duane Glen Camp, 11, of 3412 Sweetwater Springs blvd., Casa de Oro, told sheriff's deputies Tuesday that two juvenile hunters had shot holes in the tires of his bicycle.

The boy said that he had been at the Highland elementary school site Monday. Two other boys, he said, were hunting birds and asked him to flush a covey of doves from some trees.

When he came down the hill and prepared to leave, he said, the youths shot his tires with a .22 caliber rifle.

Smart, Dependable Watch Wanted by Most Students

Today's student knows his (or her) own mind when it comes to the selection of clothing, radios, records, watches and even toothpaste.

The student's vote prevails over that of his parents on 75 major items, according to a study made by the Bulova Watch Company.

The study also found that the average school-age young person—and there are 24 million of them—has $558 a year to spend for back-to-school wardrobe and accessory items.

Students today are showing excellent taste and judgement in their purchases it is reported. For the most part boys and girls prefer simplicity in their wearing apparel and accessories.

The study showed that young people consider a watch essential for school. A watch is one of the most-often-worn and always wanted items in the wardrobe of high school or college students.

WATCH FOR THESE!

The child who does these things will have an easier time adjusting to school; . . . puts away his own toys at bedtime . . . listens when others speak . . . starts living by the same rising and retiring schedule he will use when school is underway.

Exciting Fashions For Co-eds

styled - for - college collections revealing some of the gayest, smartest, most exciting fashion innovations in years.

The biggest news is color — a veritable explosion of color in bolder, brighter tones.

A complete change from the dark, murky tones of last year are this year's shocking pink, heliotrope, turquoise, bright yellow, kelly green, hot violet and whitened plaids.

Two and even three colors are now used in daring combinations that would once have been considered clashing.

Fluid and easy, best describe the sportswear silhouette. Skirts feature softened fullness ranging from moderately eased slim styles to wide pleats. In-between are dirndls and shaped flares.

Big chunky buttons, oversize pockets and sash belts are new skirt details.

Overblouses and overskirts are numerous and carry out the fluid look. Loose and easy, or gently shaped to suggest the figure, the newest versions are longer than ever, extending to tunics and adaptations of the Cossack shirt.

Length is important as sweaters and jackets descend to wrist-length and longer. New knits feature the 7/8 length.

Bulk, in addition to length, is favored in sweaters with the dashing, massive look achieved with flat three - dimensional knits or deep brushed surfaces

"Fun" fashions appear on the college-fashion horizon in greater than ever before varieties. Culottes have become colossal for fall! In above the knee lengths they compete with skirts and fill the bill for informal parties. Ankle length they spark a special kind of evening dress-up.

More "fun" items are fitted knickers, knee sox, kilties, above the knee wrap skirts, and of course, knitted tights and brightly patterned pants.

"Animals" are bigger than ever in print and pile fabrics that simulate fur and take the spotlight in separates geared for many occasions. Leopard prints make startling shirts; zebra prints create neat blouses and smart, study-time costumes. Synthetic piles that look like curly lamb, broadtail, ocelot or seal are seen everywhere in short and long coats and jackets and as sweater or coat trims.

Hoods are almost standard equipment on campus wear in blouses, sweaters, jackets, tops, car coats and parkas. Many roll down to become cowl collars for wear on warmer days.

Sashes or robe-like ties are used everywhere on everything, with even the simple belt more important than ever. Every width from extra-wide to skinny, string belts are shown. In particular, the latter type looks very smart cinching an overblouse.

To sum up; the smarter the co-ed, the more colorful, the more relaxed will her school wardrobe be!

NEWS FOR MOM

"Machine washable" describes a larger-than-ever number of clothes going back to school this fall — as Mom will be especially glad to hear.

Fashion's in the Bag For Young Book Toters

The old style school bag is fast disappearing say experts. Small fry want to carry their books to school in smart, streamlined kits and cases!

For the younger set, favorite cartoon, television and storybook characters are popular decoration, but more modern space travel and science fiction motifs are coming up!

Newest school bags are often styled like miniature doctor bags, suitcases or brief bags; with separate pockets for pencils and supplies as well as for lunch and snacks.

Nylon, rayon, cotton, plastic and leather in bright colors, plaids and novelty patterns are all "bagged" for school.

Older students prefer ring binders and binder cases with novelty coverings and trims. . . printed, striped or embossed as well as in more traditional leathers.

High school and College students choose classically simple underarm cases and brief cases. Zipper brief cases with disappearing handles are liked by the college student who wants a more spacious holder for papers which can also be carried under the arm.

Duffle bags, "tote" bags and novelty carryalls carry everything from books to an extra pair of shoes.

Fire Insurance Broker's Post To Burnham Co.

The Lemon Grove Fire District Board of Commissioners, this week named John Burnham and Co. as broker for the district's insurance program.

Roy Erwin, Lemon Grove, the firm's representative, submitted a proposal and recommendation that was accepted by the board Tuesday night.

The Burnham firm was instructed to submit a complete analysis, review, and recommendation on the insurance program not later than June 1, 1961 so the cost can be figured into next year's district budget.

FASHIONS

Tiny prints are as much a pattern of the old-fashioned-girl styles as smocking, shirring, gathered skirts over very soft petticoats, and sleeves puffing from a tight wrist gauntlet!

'Rachel Cade' Is Exciting Christian Film

Warner Bros.' color production of "The Sins of Rachel Cade" is based on the best-selling novel, "Rachel Cade" by Charles Mercer. It is an exciting and inspiring story of normal people doing the challenging work of Christianity.

Its cast is headed by Angie Dickinson, Peter Finch and Roger Moore, with support by Errol John, Woddy Strode, Juane Hernandez, Scatman Crothers and Rafer Johnson, Decathlon champ.

Angie, playing the title role is seen as a spinster missionary in Belgian Congo, Africa. The year is 1939. Her struggle between God's work and her own desires is the basis of this story.

Peter Finch is Col. Henri Derode, Belgian administrator of this particular Congo district to which Angie is assigned. He is cynical and an agnostic which, quite obviously, conflicts with Angie's beliefs.

Roger Moore, who like Finch is of London birth, portrays Paul Wilton, a young surgeon serving as a volunteer with the Royal Air Force.—B.T.

SWEATERS

Sweaters for men this Fall will take on a more weighty-bulky look in the popular ski type styling. Necklines are predominately crew - necks, v-necks, many more shawl-collars and boat necks! Big, bold colorful plaids and checks are new, too.

STRIPES

Stripes . . . a men's fashion flash! They appear in every category of apparel . . . Stripes now come through in different ways . . . notice the new direction they will take this Fall!

CLASSICAL TIE

Slated to go to college this Fall will be the classical tie; but with a fresher, livelier approach in narrower shapes; in prints, geometric patterns and conversational figures!

Old Fashioned Look Paces Girls' Wear

"And pulled out a plum". . . shapes up as the answer to the children's color story for this new back-to-school season.

Brass, a greenish-gold tint is also highly populer, as both of these shades show off best in the quaintly old - fashioned dresses the smart school-miss will be wearing.

Eyelet, black braid or bright rickrack trim, flared cuffs, full sleeves, and pinafore and apron effects are all seen in dresses that are sweetly reminiscent of by-gone days.

These styles only serve to highlight a trend in children's clothing that has become more pronounced with every season. Manufacturers are definitely catering to the desire of the youngest school-girl to look "dressed-up".

However, they have tempered the styles by creating them in modern fabrics and combinations that are geared to today in their easy-care, easy-wear characteristics.

Cottons and drip-dry miracle blends are still the fabrics used almost exclusively for children's school-time dresses.

In keeping with the return to yesterday, velveteen in rich purples, reds, blues and greens are way and ahead the favorite for her "best dress". Enhanced with eyelet, lace or embroidery trim they can turn even a "tomboy" into a little princess.

The sportswear story is like, yet un-like the casual wear preferred by her big sister. Like—in that sweaters and skirts are popular, unlike in that the noticeably "shaggy" look has been refined to the casually simple appearance that young sis prefers.

Brushed surface wools and knits rate high in sweaters, while skirts take to pleats of every conceivable type. Cluster the-hip pleats and loose pleats pleats, box pleats, butterfly make it a wide-open skirt sea-pleats, knife pleats, stitched-to-son in favorite plaids and solids.

Ellen Payne Services Held

Funeral services for Mrs. Ellen Frieda Payne, 43, of 3817 Pinto pl., Spring Valley, were held Monday in the Little Chapel of the Roses, Glen Abbey, Chula Vista. Erickson-Anderson Mortuary of La Mesa was in charge. Burial was in Glen Abbey. Mrs. Payne died Aug. 15, as a result of injuries sustained in an auto accident in Carson City, Nev.

A native of El Paso, Tex., she had lived here six years. She was a member of Trinity Presbyterian Church, Spring Valley. Survivors include her husband, Reginald W. Payne; two sons, Richard and Robert Payne; her parents, Mr. and Mrs. William C. Hintze of Cleveland, Ohio; a sister, Mrs. Leona Wowczuk of Cleveland; and a brother, William C. Hintze Jr., of Asheville, N.C.

'No Parking' For Shop Employes Asked By C.C.

Helen Moulton, manager of the Lemon Grove chamber of commerce, said that business firms along Lemon Grove's major street would be asked to cooperate in alleviating the increasing parking problem.

She said each firm will be asked to get its employes to sign an agreement not to park in the customer parking spaces along Broadway, and along Imperial and Main streets.

She said much revenue is now being lost because the parking situation is becoming more acute. She said that more than a thousand customer stops are being lost each day for each all-day stay of owners' or employes' cars.

Rear of stores parking and secondary street parking is suggested.

ADDS CHARACTER

Rough sawn lumber and old brick make a warm textured finish for a family room. Western red cedar is particularly effective because of its soft red and brown coloring.

Soviet productivity on farms has increased, but the average Russian must still work 4½ times longer than an American to buy a quart of milk.

Trailer Rally To Draw Crowd From Local Area

The second annual "Trailer Rally", sponsored by the Border District of trailer owners, will be held at the Del Mar racetrack, Aug. 30 and 31 and Sept. 1 and 2. Four local clubs will participate; the Vagabonds, San Diego Trailer Club, Wagons West and the Astro-Travelers.

Many trailers from other parts of the country are expected. It is estimated that nearly 500 persons will attend. There will be music, dancing, prizes, a big potluck and many other things relating to trailering.

The public is invited to stop by, whether trailer owners or not, according to Milton Chazotte of Spring Valley, publicity chairman. Col. "Lucky" Miller, president-elect of the San Diego Trailer Club, will preside.

SWEET FOR SCHOOL! This fresh classic fashion for "little women" is highlighted with fine Schiffli braid, flat tucking, and a cummerbund effect with flat self bow.

By PETITE FLEUR

OUT OF SCHOOL the young lady student will love slim-tapers in Milliken's "Lorette," a little or no-iron fabric. The snug waistband holds tops in place.

By DAVENSHIRI

Send Proper Fee For Certificate Health Man Says

The San Diego Department of Public Health this week urged parents of children entering school for the first time, and who need copies of the child's birth record for school enrollment, to apply now for a copy of the birth certificate.

Dr. J. B. Askew, director of public health, said, "Parents who wait until the last minute may not get birth certificates in time for the opening of school."

The fee for a certified copy of a birth certificate was increased from $1 to $2 on January 1, 1960, by action of the state legislature.

Dr. Askew said many people applying for certificates by mail continue to enclose only $1 causing themselves needless delay. When the incorrect amount is sent in, the application must be returned for the correct fee. Dr. Askew said this delay may be avoided if the $2 fee is mailed in at the outset.

DOROTHY DIGS in the garden

The menace of Red Spider is becoming more and more serious.

In previous years Red Spider very seldom attacked roses but now there is scarcely a rose garden that is not subject to this enemy.

Red Spider works almost invisibly. You recognize it first by an unhealthy appearance of the leaves; not by holes in the leaves or by any special marring of their surface but a decrepit dejected appearance. Then a close examination will reveal Red Spider infestation.

If you have this trouble, I suggest that you use a Kelthane product to spray your roses because Kelthane doesn't kill the beneficial insects that are helpful in controling the destructive ones.

It is a material highly destructive to Red Spider but it kills nothing but Red Spiders and Mites and thereby leaves your roses the help they derive from the so-called "beneficials". You can spray anything in your garden with a Kelthane product safely and effectively.

Milking at one time was a religious rite, done only by priests of ancient times, and done only from the stern of the cow!

The Mail Box

Dear Editor:

One seldom resigns from Grossmont Hospital. They usually just walk off the job or do not show up for work. With the tremendous turn over in personnel the expense of training new help must be terrific and either the administrator does not care about expense or is not interested in finding out the cause. In my case, I told him my reasons for resigning were as follows: lack of appreciation for leadership, initiative ability, knowledge, intelligence seniority or loyalty. No questions with regards to the above were asked of me. Less than thirty-five employes are on the pay roll that started when the hospital opened. There are three ways of doing business, the right way, the wrong way and the government way. With retired service personnel as department heads you cannot expect much civilian business knowledge from them. There is complete lack of cooperation between departments, for instance, a janitor may not replace a light bulb and an engineer would not pick up a broken bottle. If there is a contented employe at Grossmont Hospital it is one who has never held a better position in life. I resigned as of July 28th, 1960.

Legal Notices

**Re Intention to Abandon)
That County Park Known)
as Merritt Park . . . . .)**

On motion of Supervisor Dent, seconded by Supervisor Austin, the following resolution is adopted:

WHEREAS, under date of May 14, 1909, George and Pauline T. Merritt granted to the County of San Diego by deed the property hereinafter described for a public park; and

WHEREAS, the area of the property so deeded is so small, its slope so great and its location so relatively inaccessible to the public as to seriously impair or prevent its use for park purposes; NOW THEREFORE

IT IS FOUND, DETERMINED AND DECLARED that Merritt Park, as hereinafter described, is not being used by the public for park purposes and is not appropriate, convenient or necessary for park purposes.

ACCORDINGLY, IT IS RESOLVED AND ORDERED as follows:

1. It is the intention of this Board to abandon all of Merritt Park.

2. On September 27, 1960 at 11:00 o'clock, a.m. in its chamber, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, the Board of Supervisors of the County of San Diego will meet for the purpose of taking final action on the proposed abandonment of said Merritt Park and to hear and pass on any objections to the abandonment of said park.

3. Merritt Park referred to in this resolution is located in the County of San Diego, State of California, and is particularly described as follows:

All that portion of Lot Twenty-two (22) of Subdivision No. 4 in Tract Twelve (12) of the Rancho Mission of San Diego, according to licensed surveyor's map No. 12 filed in the office of the County Recorder of San Diego County, June 13th, 1892, described as follows:

Beginning at a point in the West line of said Lot Twenty-two (22) distant thereon One Hundred Fifty (150) feet Northerly from the Southwest corner of said Lot Twenty-two (22): thence Northerly along the West line of said Lot Twenty-two (22) One Hundred Fifty-three (153) feet to the Northwest corner of said Lot Twenty-two (22); thence Easterly along the Northerly line of said Lot One Hundred Sixty (160) feet to the Northeast corner thereof; thence Southerly along the Easterly line of said Lot One Hundred Fifty-five (155) feet to a point in said Easterly line distant One Hundred Fifty-five (155) feet Northerly thereon from the Southeast corner of said Lot Twenty-two (22); thence Westerly in a direct line One Hundred Eighty-five (185) feet more or less to the point of beginning.

IT IS FURTHER ORDERED that the Clerk of this Board cause this resolution to be published in Spring Valley Bulletin, a newspaper of general circulation in the County of San Diego printed and published nearest to Merritt Park, and San Diego Union, the newspaper of greatest circulation in the County of San Diego, and that the Clerk of this Board cause not less than four copies of this resolution to be posted conspicuously and not more than 100 feet apart at the point where any public highway or highways or park road or roads cross the boundaries of Merritt Park and along the route of such highways or roads within the park boundaries.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 26th day of July, 1960, by the following vote:

AYES: Supervisors Gibson, Bird, Dent, Austin, and Weber
NOES: Supervisors None
ABSENT: Supervisors None

STATE OF CALIFORNIA,)
) ss.
County of San Diego,)

I, R. B. JAMES, County Clerk of the County of San Diego, State of California, and ex officio Clerk of the Board of Supervisors of said County, hereby certify that I have compared the foregoing copy with the original resolution passed and adopted by said Board, at a regular meeting therof, at the time and by the vote therein stated, which original resolution is now on file in my office; that the same contains a full, true and correct transcript therefrom and of the whole thereof.

Witness my hand and the Seal of said Board of Supervisors, this 26th day of July, 1960.

DODGE HALL—Everybody likes to play dodge ball (if you look closely, you'll see the principal in the game) during recess at school. The above photo was snapped at the summer school session at San Miguel School. Lots of kiddies attended the session, brushing up on their arithmetic and reading so they'll be ahead of the other kiddies when the regular session starts. —Staff Photo

Throwin' the Bull

By Bob Turnbull

Todd Windsor hips us he's scripting an up-to-date "Untouchables" about Hollywood entitled "The Unemployed.". . . CBS' "Project 20" is filming masterpieces by **Raphael, Michelangelo, Botticelli,** and others, in Rome and Florence for its show about the life of **Jesus Christ** . . . . **Winnie-the-Pooh** will be exployed by **Shirley Temple** on her TV show in October . . . . . "A Date With Debbie," starring **Debbie Reynolds** on October 27 will feature Saxman **Julian Adderley** and His Jazz Cats.

The Vegascene

Beautiful redhead **Jill Bissett** is now the singing rage of the Stardust Hotel's "Lido de Paris Revue," in Las Vegas . . . . . The brand new "Folies Bergere" currently SRO at Hotel Tropicana features new costumes, scenery (all made in Paris) and 99 per cent European artists. It is worth seeing again. . . . **Louis Prima** and **Keely Smith** have moved their show onto the main stage of **Wilbur Clark's** Desert Inn. . . .Tremendous **Teresa Brewer** has hands clapping in the Congo Room of Hotel Sahara. She's capably backed by comedian **Dave Barry** . . . . .**Leny Eversong** has joined the ice spectacular "Follies Americana" at the Thunderbird Hotel. . . . .The South Shore Room of Lake Tahoe Harrah's is now featuring **Tony Martin** with **Diane Dors** due in next week. **Ray Anthony** is currently in the Lounge.

Dis 'n Dat

A tip-of-the-Derby to another Wow-Wow Southern Cal chick in **Diane Sexton,** Miss La Mesa. . . . .Pretty newcomer **Margie Regan** really got around during her school days. She attended schools in Kansas City, Mo.; Atlanta, Ga.; Garden City, New York, and Hollywood. She is now under exclusive contract to Columbia Pictures. . . . **Bob Hope** has taped another very funny fall spec at the U.S. Air Force Academy, Colorado.

Couch talk in a Westwood psychiatrists office: "I'm glad you cured me of being a chicken, Doctor, although we ARE going to miss those eggs."

Until tomorrow, **Vaya Con Dios!**

CORDUROY

Corduroy, abundant in sport outerwear, has now turned up in the sport shirt line. New napped surface treatment is tops in the shirt-jacket style, with novelty slash pockets and button placement.

Proper Care Is Secret of Lovely Hair

An attractive appearance, a "musts" for the miss — headsmart and versatile wardrobe ing back to school! and a flattering hair style are However, selecting and setting the right hair style can be a problem for the girl with a busy schooltime schedule.

Certain basic steps in hair care can help make the hair style last longer and set easier.

Here are some recommendations from a maker of a well-known "no tears" shampoo.

Before shampooing, be sure to brush the hair well to remove lint and dust particles. Shampoo it thoroughly and be sure to rinse it well.

No matter what hair style you choose — you can set it to stay if you follow the same basic setting pattern each time you set your hair.

To keep your hair in place longer, brush it well each night before bed time—place a few clips in it to hold the lines, and cover the hair with a net.

A few brush strokes each day will help keep your coiffure in place also.

In damp and humid weather, be sure to pin up your hair every night.

Basically — healthy, more manageable hair begins with proper shampooing and regular hair grooming.

Record Library Offers Good Music Appreciation Start

Youngsters in the lower grades will now have an opportunity to start their musical education not only early but in the right way, as a result of a "Basic Record Library" planned by RCA Victor.

"Adventures in Music," overall title of the new library, offers ten albums, one each for the first and second grades and two albums each for the third through the sixth grades. The albums are available in stereo and monophonic form.

The National Symphony Orchestra, of Washington, D.C., with its own long-standing educational program for children, is featured on the recordings with Howard Mitchell as conductor.

The series is edited by Gladys Tipton, professor of music education at Columbia University with the assistance of leading music public school supervisors,

The classic repertory ranging from Bach to Aaron Copeland. has accompanying texts which correlate the music with the history and literature of the period

Records are available through regular retail channels and also directly to school systems
